

**The Days Before Revival Breaks Out**  
**Bible Study**  
**April 12, 2020**

What would you do if someone locked you in a house with 14 other believers for a few days? There were no Tv's or digital devices. You are simply given a note that says "Get ready, revival is coming." What would you do?

Read Acts 1:1-26. Pay careful attention to 1:14.

Have you ever devoted yourself to prayer over something? Please share with us what that looked like in your life.

Read from Draw the Circle by Mark Batterson, pages 185-187. What are you learning about prayer and revival from this chapter?

Have you ever had a season of intense prayer? If not, what would it take?

Read Acts 2: 1-4. The term Pentecost comes from the word fiftieth. This Feast of Weeks comes from various passages of the Old Testament, the festival, that was celebrated by the Israelites. For additional readings of this festival read: Leviticus 23:15-19, Numbers 28:27-29, and Deuteronomy 16:9-11.

I have heard many pray for revival to breakout in America but before it can happen there it needs to start here. Revival needs to breakout at Parkade Baptist Church. If revival would come write a few sentences of what it would look like. How would the church look different than it does today?
